Captain Madison C. Schepps,
24th Infantry,
A. & R. Officer,
Fort Benning, Ga.

Dear Sir:

Your letter of February 28th just received. I am very sorry that we were unable to come to Fort Benning this season, so we have planned now to train in Daytona Beach, Fla.

About the games around May 1st, I am returning to Newark for the week-end of May 7th, and will be in Norfolk, Va. May 1st, which is too far from Fort Benning to think of returning to play that week.

Thank you for the offer. Very sorry we were unable to make any connection.

Very truly yours,
